

Bay families benefit from **home-based childcare**

Bay Family Homebased Childcare opened in April 2009 in Tauranga, Rotorua and soon after in Taupo.

Since opening, the business has become the second largest homebased childcare provider in the Bay. BFHC may be new to the Bay but Jim, Jenni and Petra are not new to homebased childcare. Waikato Family Homebased Childcare (WFHC) in Hamilton owned by Jim

and Jenni Ellis has been providing childcare for 15 years and it is this experience the owners bring to BFHC, mirrored on their successful Hamilton business. Petra Navanua is the company's Tauranga-based director and leads a team of great staff and educators.
